

### **B1BC 1 Bolt Parallel Connector**

#### **Description**

---

- Copper 1 bolt parallel connector
- Approximately 2" square, two piece connector provides over 1-1/2" surface contact between conductors
- Accepts all lightning conductors and rods up to 5/8" in diameter and grounding conductors ranging from #6 AWG up to 250 MCM

#### **Application**

---

- Innovative pressed bolt design ensures a smooth flat surface; no damage when used on membrane roofs and provides greater ease of installation
- Recommended installation tool - 1/2" socket wrench, end wrench, or nut driver
